

Community Emergency Plan for Blockley Village

1. PURPOSE

Definition of an emergency

An emergency/major incident is any event or circumstance (happening with or without warning) that causes or threatens death or injury, disruption to the community, or damage to property or to the environment on such a scale that the effect cannot be dealt with by the emergency services, local authorities and other organisations as part of their normal day-to day activities.

Aim of the Community Emergency Plan is

to increase resilience within the local community before, during and after emergencies, and to link into the Gloucestershire County Council, district councils and emergency services' emergency response structures. This Plan documents how Blockley would respond in an emergency situation e.g. while awaiting the assistance of statutory authorities /emergency services, or in support of them. **It is not the role of the community to take on the responsibilities of these agencies e.g. to save life, to take any risks to themselves or to cope for long hours without agencies' help and support.**

Objectives

- Identify the risks to the community and relevant response actions
- Identify vulnerable people / groups in the community
- Identify resources in the community available to assist during an emergency
- Provide key contact details for the Community Response Team, Key Community Resources, the Emergency Services and Local Authorities

2. COMMUNITY RESPONSE GROUP (CRG)

. Copies of this Emergency Plan are restricted, and will be held by the CRG members.

<i>Traffic accident at key junction</i>	<i>Travellers in the queues behind are stuck for some hours</i>	<i>Identify alternative routes, including ones appropriate for HGVs, and inform police Open up Place of Safety (Village Hall) for tea, coffee, toilets</i>

4. ACTIVATION OF THE PLAN

This plan will be activated when an emergency has occurred or if warnings are received, prior to an anticipated event. It will also be activated when emergency services need support or are not able to attend immediately e.g. in severe weather.

If this is the case, the CRG in 2 above will assess the situation, and consult with the **District Emergency Planning Liaison Officer** (DEPLO) at Cotswold District Council via 01285 623000 or (out of hours) 0845 303 9729. The CRG will then put all or part of the Plan into effect as appropriate.
