

COTSWOLD
DISTRICT COUNCIL

Clerk To Blockley Parish Council
Blockley Heritage Centre
Park Road
Blockley
Gloucestershire
GL56 9BY

1 October 2024

Our ref: 24/02908/FUL

Dear Sir/Madam

Full Application for Variation of condition 21 (Obscure glazing Plots 1-3) of permission 24/00088/FUL (Demolition of a single dwelling and erection of 5 dwellings with associated works - Variation of condition 2 (plans) of permission 23/01407/FUL to enable amendments to design of permitted scheme) at Haberdashers Bell Lane Blockley Moreton-In-Marsh Gloucestershire

Please forward us your comments on this application.

As the Parish Clerk you will receive an email consultation for all planning applications/notifications with a link to **Public Access** – our online planning register - which will enable you to make a comment online. The benefit of making an online comment is that your response will automatically populate into our back office systems and go direct to the Case Officer. This automated process is cost saving to the Council.

Comments can be submitted via the **Public Access Consultee Comment** facility. The benefit of this facility is that once registered you will have access to an 'in tray' which will display all applications/notification consultation requests together with the response deadline. You will be able to submit your consultation response via this facility and view all the comments you have made on previous applications. If you are not registered for this facility please email planning.admin@cotswold.gov.uk

To view the application documents for this application and make your comments please click on this link: [Public Access](#)

For information representatives of any Parish/Town Councils can also register individually for notification of applications via **Public Access** and set more selective search details. This will not affect the standard consultation notification sent to the Clerk. A user guide for this system can be found [here](#).

Yours faithfully

Martin Perks
